

Greenfield Farmers Market Non-Profit Booth Space Request

The Greenfield Farmers Market has reserved a booth space designated for non-profit organizations of the greater Greenfield Community! The intention of this booth space is to allow non-profits who wish to promote their work/cause the ability to do so as well as enhance the connections in the community. Some examples of non-profit booth appearances include: The Boys & Girls Club recruiting volunteers, Susan G. Komen promoting Breast Cancer Awareness Month, any non-profit handing out organization information/flyers/etc.

We will allow each organization one market appearance. Additional appearances may be granted if there are vacancies; these would most likely be booked no more than one week ahead of time. Contact information on your form will be utilized in instances the market needs to fill a spot at the last minute.

Please fill out the application below for consideration. If you have further questions, you may contact us at farmersmarket@greenfieldwi.us. Our onsite Market Manager is Heidi Herro. Should you have any day-of emergencies, questions or concerns, she may be reached at (414) 312-2799.

Contact Name: _____

Organization Name: _____

Address: _____

Phone: _____

Email: _____

Website/Facebook/Twitter: _____
